

Special Tribute for Patriots Day

A Day to Remember

As a free people, we must NEVER FORGET that the innocent victims of the Sept. 11, 2001, attacks on America did not die in vain.

We stand united as a nation and are committed to wiping out terrorism and those who plot the murders of innocent civilians throughout the world.

We ask all Americans to honor the ultimate sacrifice of U.S. military personnel who gave their lives on and after Sept. 11.

We must remain committed to supporting the young men and women of our armed forces who go in harm's way on our behalf. Write them, pray for them, and thank God they serve America with honor, courage, and commitment.

Let us pause to honor the over three thousand lives lost on 9/11 and the thousands of lives lost fighting terrorists throughout the world to keep us safe since September 11.
